Zoe Latimer is our Administrative Assistant.

She will be in the office every Tues., Weds. & Thurs. 10:00-3:00.

If no one is in the office to answer your call, please leave a message and Zoe will get back with you as soon as possible.

Mary Kaufmann, Assistant Professor of Informatics @ Muskingum College and Jeff Shick, Director, Manufacturing & Technology SBDC @ Columbus State Community College will be our Featured Speakers! They will give an update on “The Future of Technology” & how Technology & Business Strategy should be aligned to build a Successful Future.

Mary's background includes over two decades of experience, leading teams, implementing new technology, leading management development, strategic design & implementation with AT&T & the Longaberger Co. She is a 1987 graduate of Muskingum College with majors in Computer Science & Business. She completed an MBA from Baldwin Wallace College & has a Master of Divinity from Ashland Theological Seminary.

Mary also contributed to a book, *Leadership Character*, published in 2002 & written in association with the Sandberg Leadership Center.

As Director, Jeff oversees the operations of a nine county program supporting manufacturers with business and strategic planning as well as advice and counseling for day-to-day operations of management and production systems. The center also helps researchers and inventors to develop ideas in to prototypes and move them forward to successful commercialization.

Jeff's private firm provides technical assistance, education and training services to private and government clients in business management, program management, engineering in technology transfer and commercialization, and economic development program design.

February 2009!
This is the month we celebrate Valentine's Day & our present & former Presidents. Let's give our new President all our Prayers & Support!

Dear Chamber Members,

Our fearless leader is laid up with a broken leg, so if you see him or talk to him, give him a big “aawh!”

We hear all this talk of global warming!?!? I think someone has gotten their wires crossed, please stay warm & drive & walk carefully!

As members, you should know that we have a full page ad once a month in the Pataskala Standard. We pay for this with six business card size ads at the bottom of the page. These ads cost \$30. We have some members that run theirs in each month &

others who just do 1,2, 6, etc. This is a good way to get your business information out in front of the membership. Take a “gander” next time it comes out. It is usually in the Thursday before our Monthly Meeting. Another way to get your business information out to our members, is to be a spotlight speaker. This way you will have five minutes during our monthly meeting to “blow your own horn”.

We can also include a flyer in the newsletter mailing. This will cost you \$50 & you supply us with the flyers. We send out about

225 newsletters each month.

There are other benefits to your membership that I’m not going to list, but you can find them on the next page. One more is if you refer someone & they join, you will get \$20 off of next years dues.

We are going to be moving to a new office this month. We will be located in the old Franklin Printing/Pataskala Standard building at 350 S. Main St. in “olde downtown” Pataskala.

We hope to see many of you at the meeting on February 17th.

There were no new members joining us in January..

LUNCHEON SPOTLIGHT SPEAKERS

Joe Kerner of TAXNOW! Will be our spotlight Speaker.

******* As a chamber member , you are eligible to be a luncheon spotlight speaker once a year. This is a valuable tool to get information about your business out to the membership. If you are interested, please call (740)964-6100 or e-mail PACC132@embarqmail.com.**
