

Dear Chamber Members,

I am happy to announce our speaker for the February meeting will be U.S. Congressman, Pat Tiberi. Pat will give us some insight with the issues on Capitol Hill such as rising unemployment, controversial health care reform, and issues we may face in the future, both nationally and locally. This will be a very informative meeting and we encourage every member to attend this unique opportunity. If you would like to bring a guest please call the chamber office to RSVP (guest only).

Your chamber has been working diligently to provide resources, opportunities and

networking to help benefit and grow your business for 2010. We are in the planning process for another Economic Development Forum sometime in late April or early May. We are also planning after-hours events for this coming year. We encourage you to give the chamber board ideas for future speakers, networking ideas, and insights to issues concerning you and your business. Please email your ideas to pacc132@embarqmail.com

If you know of a business that is not a member of the Pataskala Area Chamber of Commerce please pass along our information or notify me and I will make a personal introduction to the busi-

ness or individual. We would like to increase our membership by 20% in 2010 which will benefit all members. It will allow us to fund more events and provide more opportunities for members.

I hope to see everyone February 16th at our next meeting.

Sincerely,

Bart Weiler
