A Word from Our President:

Pataskala Area Chamber of Commerce

Dear Chamber Members,

As we watch 2009 fade into the history books, I doubt that any of us are very sorry to see it pass. In addition to the economic challenges of which we are all too aware, it may be tempting to put such a year behind us and not think of it again. However, to do that, we would miss the opportunity to learn from it. If there is a silver lining to be found in 2009, it is what we learned about our business and ourselves.

I am very excited to be serving as your President, again, and working with a great board. As most of you know, if you surround yourself with good people, great things will happen and we are looking forward to this New Year. We conducted our annual planning meeting and discussed opportunities

for 2010, as well as, appointing our new committee chairpersons. I am happy to announce the Committee Chairs for 2010: Economic Development, Bill Wright; Marketing Committee, Nate Willison; Events Committee, Mark Schillig; and the Ambassador Committee will be Brian Elder.

The committees have already discussed events for this coming year and are planning another Economic Development Forum in a few months and encourage everyone's input. Mark Schillig, Events Committee Chair, is anxious to start up a series of After Hours Events for this coming year. If you would like to host an after hours event this year please contact Mark. If any one would like to visit new Chamber Members and new businesses to help make them feel welcome to our

community, please contact Brian Elder, Ambassador Committee Chairperson, he would appreciate any assistance.

Most importantly we are here to serve you as Members of The Pataskala Area Chamber of Commerce. Please let us know how we can help you or if we need to address any issues that may be of concern. I encourage everyone to please get involved with one of our committees as we all work together and make the Pataskala Area an even better place to live and work.

Sincerely,

Bart Weiler

President
